Languages

German (first language), English, French

What I like...

Plan ahead - make good things better - give customers what they need - think before you talk - do one thing at a time and do it right - learn before it's too late

Facts...

Born June 5th 1946, Swiss Citizenship, Australian Bridging Visa (lodged for permanent residency)

Married to Susanne Scheuter

Personal Interests

Sailing, Beekeeping, Travelling and Exploring, Astronomy
